SERVICE FUND/LE FONDS MISSION ET SERVICE

Putting the Fun Back In Fundraising

Organizing a fundraiser is a fantastic way to support and promote the Mission and Service Fund. It can bring people and talents together in all sorts of new and interesting ways. Fundraising events also offer great opportunities to socialize and really get to know people. Remember it is your enthusiasm that will deliver a successful event which will in turn benefit those that count on the Mission and Service Fund.

When we recognize that a better word for Fundraising is “friend raising,” we open limitless doors to creativity in support of our causes.
