

Prayer for those serving on the Comprehensive Review.

Divine Creator, source of life and love, help us to sense your presence with us as we pray for all who serve on the Comprehensive Review Task Group.

In this season of Light, may they be blessed with knowing that we are embracing them with our love and our prayers.

May your Light, O God, illuminate their path as they seek to discern the way for your church in the times ahead.

Holy One, as our prayers surround them, may they draw on your Presence and trust in the knowledge that we all offer them our wisdom, love, strength and encouragement as bread for the journey.

In the name of the One who walks with us.

Amen
