

## Soul of the Community — Building Neighbourhoods of Hope — 2

You are cordially invited to a workshop. The primary goal of this workshop is to engage in interactive case studies involving faith communities. These faith communities are drawing a map of their neighbourhood in order to find new ways of being church in their neighbourhood.

In the afternoon, we will further explore how faith communities contribute to the common good. And we will examine some of the struggles that faith communities are facing.

Sharing of our own experiences, the exchange of ideas with experts, and the review of available resources, we will strengthen existing links and trust relationships within the Presbytery as a whole. In this way, together, we build neighbourhoods of hope.

**Saturday, MARCH 17, 2018, 9:00—3:30 p.m.**

**At Saint Columba House
